Discussed was intention of selling advertising for Spring Show program. Jess' offer of an incentive was announced. She is donating a session of bellydancing.

Recent participation -

MENSK "Brush of Love" Body Painting on Jan 28th at Space Gallery. Uneven event reported by attending participants, Byron, Amanda, Meg, ..., body painting was good, improvisational performance was begun much later than scheduled and ended up being scrapped. In future co-productions, better communication is needed with the event coordinator, knowing what we need and what we can expect from them.

Guerilla dance shows, requiring 2-3 hrs prep time. Possible venues:

Liquid Blue, Geno's, Asylum, Arts-First Friday, Old Port Festival Dance Stage. All in attendance liked the idea, and would be interested in participating when it fit into their

schedule.
